idea: Powers, protects and stands.

Product Number	**K39287US**
Sugg. Street Price	**$59.99**

Slip the PowerGuard Battery Case with Card Stand onto your iPhone 4 and you´ll have hours of extra power for web surfing, calls, apps and more. Plus your iPhone will be protected by the PowerGuard´s tough case. There´s even a handy card stand that props up your iPhone for handsfree FaceTime chats.

Features and Benefits

- Adds 4 hours of extra talk, 5 hours of video, 22 hours of music*
- Provides the power you need to enjoy multitasking between apps, FaceTime calling and more
- Insert the provided card stand and the two-position stand holds your iPhone 4 handsfree in portrait or landscape mode
- Micro USB charge and sync port
- LED battery fuel gauge
- Soft touch finish feels great in your hand
- Built-in volume control button
- * Extended talk time listed based on iPhone 4. As your Kensington PowerGuard is used over time, it will have a reduced ability to provide extended time and the time will decrease from that shown above.
